2019-37

Request of Paul Strada of N.A.S. Sign Company for a variance for property located at 4100 Clinton Street to construct an electronic sign within 500' of residential zoning

Paul Strada of N.A.S. Sign Company and Kimberly McCartan, Principal at Clinton Street Elementary School, stated their proposal to replace the existing 40 sf sign that was damaged with a new 52.04 sf double sided monument sign. The top portion will be a standard illuminated sign and the bottom portion will be LED. The new sign will be in the same place, but one to two feet further from the street. Mr. Strada further stated the LED sign will help the school better communicate with the public and will not have an adverse effect on the character of the neighborhood.

Chairman Elling stated he was in receipt of approval signatures from property owners at 4047, 4055, 4070, 4077, 4101, 4103, 4130, 4138, 4141 & 4148 Clinton Street and 7 French Lea Road. NYSDOT submitted comments that they had no problem with the sign, but no survey was submitted with the application and they want to ensure that the sign will be not located within the state right-of-way.

No comments were received from the public.

Motion by Elling, seconded by Marzullo, to close the public hearing and grant a variance for property located at 4100 Clinton Street to construct an electronic sign within 500’ of residential zoning, noting the sign must have automatic dimming, the hours of illumination cannot exceed 6 A.M. to 10 P.M., messages must be displayed for a minimum of 30 seconds and no A-frame or temporary signs are allowed on the property.

2019-34

Request of Paul Strada of N.A.S. Sign Company for a variance for property located at 154 Orchard Park Road to construct an electronic sign within 500’ of residential zoning

Paul Strada of N.A.S. Sign Company represented Souhttowns Animal Hospital and stated their proposal to replace the existing 5.5’ x 6’ sign that is located on two poles. The replacement sign will be 40 sf with an overall height of 13.5’. The top portion will be a 3’2” x 7’4” static illuminated sign and the lower LED portion will be 2’ x 7’4”. Mr. Strada commented on the many services performed at the hospital and stated the new sign will allow them to communicate better with the public and remain viable and competitive. They will utilize the same poles and foundation and there will be no undesirable change in the character of the neighborhood.

Chairman Elling stated he was in receipt of approval signatures from property owners at 40, 46, 51, 63, 70, 76 & 82 Marlow Road; 0 47, 51 & 63 Lenox Road; 57, 64 & 81 Innes Road; 25, 30, 56, 60 & 69 Fairfax Road; and 179 Orchard Park Road. NYSDOT has no objection to the proposed sign as long as it is not located within the state right-of-way.

No comments were received from the public.

Motion by Hughes, seconded by Marzullo, to close the public hearing and grant a variance for property located at 154 Orchard Park Road to construct an electronic sign within 500’ of residential zoning, noting the sign must have automatic dimming, the hours of illumination cannot exceed 6 A.M. to 10 P.M., messages must be displayed for a minimum of 30 seconds and no A-frame or temporary signs are allowed on the property.

Request of West Seneca Fire District #5 for a variance for property located at 2829 Seneca Street to construct a 6’ high fence with barbed wire around the top to enclose an above ground fuel storage tank

Attorney Dale McCabe represented West Seneca Fire District #5 along with Commissioner Board Chairman Peter Spilsbury and stated their request to install a 6’ high fence with barbed wire to enclose an above ground storage tank. The inground tank had to be removed due to a leak and NYSDEC indicated it was more practical to have the tank above ground, but they would like a fence around it. Code Enforcement Officer Jeffrey Schieber suggested bollards across the front portion and the fire district has no problem with that. Mr. Spilsbury stated it is a double wall tank so it is properly contained and there are no neighbors on the Orchard Park Road side, which is where the tank is located.

Chairman Elling stated Erie County Division of Planning indicated they have no issues with the proposed fence. Also, there is already a fence with barbed wire surrounding the cell tower on the property.

No comments were received from the public.
Motion by Elling, seconded by Marzullo, to close the public hearing and grant a variance for property located at 2829 Seneca Street to construct a 6’ high fence with barbed wire around the top to enclose an above ground fuel storage tank.

Request of Frank Wailand of FJ Wailand Associates Inc. for a variance for property located at 3155 Seneca Street to reduce side yard setback to 3’ (minimum 10’ side yard setback required)

Frank Wailand represented the property owner and stated a prospective tenant is requiring the size of the building, which will reduce the side yard setback. National Grid is coming into town on Friday to talk about accessing their transmission lines, but he was confident they will receive their approval.

Chairman Elling stated he was in receipt of approval signatures from property owners at 3155 Seneca Street, but noted there was nothing from the residential home across the street.

Mr. Wailand stated they had distributed letters, but nothing was returned.

Mrs. Hicks questioned the zoning of the house across the street and stated she would like to have approval from that neighbor.

No comments were received from the public.

Motion by Hughes, seconded by Hicks, to table this item pending additional communication from the neighbor and National Grid.
