Re: Addition and Alterations to:
1777 Union Road
West Seneca, New York

Dear Sir or Madam:

This letter is to inform you of our intentions for the work on the parcel of 1777 Union Road. The owner Jonathon Schmid is proposing to construct an 8,776± masonry and steel addition to an existing out building. The existing site contains several buildings used for automotive and storage facilities. The new addition and a part of the existing building will be used as an equipment rental service. The project is located on a 7.98± acre site located on the east side of Union Road just north of North America Drive. The present zoning for the land is Commercial (C-2) and Manufacturing (M-1). Presently all land uses surrounding the area are of similar zoning and as far as use, are of the similar nature. We would appreciate the opportunity to be put on the Planning Boards agenda for site plan review at this time. If you have any questions regarding this matter, or if you need any further information, please feel free to contact my office at (716) 667-1436.

Sincerely,

Daryl K. Martin R.A.
Architect
