Town of West Seneca

**Re: 2012 Dover Greenmeadow Reconstruction  
Request to Accept Bid**

Honorable Board Members,

Bids for the Dover Greenmeadow Reconstruction project were received on May 16 at 10:00 am. The low bidder is DiPizio Construction. We have worked with DiPizio in the past and have been very satisfied with their work. We have discussed their bid with them and they are comfortable with their bid and the project. Therefore, we recommend awarding the project to DiPizio Construction Company in the Amount of \$2,048,177.50, which includes the base bid of \$1,892,139.50 and bid alternate a of \$156,038.00. Please also authorize Supervisor Meegan to sign the agreements for this project.

Very truly yours,

A handwritten signature in black ink, appearing to read "S. R. Tanner", is written over a horizontal line.

Steven R. Tanner, P.E.  
Town Engineer
