Town of West Seneca

**Re: 2012 Highway Garage Façade project
Request to Accept Bid**

Honorable Board Members,

The bid opening for the above referenced project was held on July 17, 2012 at 10:00am. 2 bids were received. The low bid of \$137,684.75, which included the Base Bid and Bid Alternate A-1 was from Arrow Sheet Metal Works, Inc. from 75 Thielman Drive, Buffalo NY 14206. We have reviewed their bid and references and recommend that a contract be awarded to them in the amount of \$137,684.75.

The base bid included masonry repair around the entire building and metal panel siding along the west elevation. The bid alternate included lintel repair and window replacement along a portion of the east side of the building. This project will be paid for with the monies that were approved for the highway garage earlier this year.

Please contact me at 716-852-2100 ext 1084 if you have any questions relative to this project.

Very truly yours,

A handwritten signature in black ink, appearing to read "S. R. Tanner".

Steven R. Tanner, P.E.
Town Engineer
