Re: **West Seneca Community 5K**

As per the attached request and with the approval of the Police Chief and Highway Superintendent, kindly approve the request from the West Seneca East Spirit Boosters and the West Seneca West Sports Booster to hold the "West Seneca Community 5K", June 26, 2014 beginning at 6:30PM on designated streets in the Town of West Seneca

West Seneca Community 5k

April 22, 2014

Dear West Seneca Town Board,

The West Seneca East Spirit Boosters and West Seneca West Sports Boosters are coming together to help support our students and their endeavors through the "West Seneca Community 5K" run and walk.

The W.S. East Boosters, over the last 14 years, have given back nearly \$120,000 to the programs and students on the East side through mini-grants and scholarships to graduating seniors. The W.S. West Sports Boosters Club has given more than \$60,000 in support of the students by way of mini-grants and scholarships over the last 10 years on the West side.

We are submitting this request because we need the temporary presence of our police officials on the race course route. The course map is included within. We will have volunteers on the course side streets with signs to guide traffic.

A week prior to the event volunteers will canvas the neighborhoods along the race course and side streets with fliers informing them of the race and race times. The awards presentation will immediately follow the conclusion of the race at the town pavilion. We are hoping to hold the race festivities at a local restaurant.

All proceeds will be evenly split between both booster clubs for the benefit of all the programs on both sides of town.

Thank you very much for taking time to consider our request for help with this event.

Sincerely,

Jeff Zubler, President W.S.E. Spirit Boosters/ Race Coordinator

Don Inglut, President W.S.W. Sports Boosters Club
