Town of West Seneca

Re: MS4 Annual Report

Honorable Board Members,

The New York State Department of Environmental Conservation (NYSDEC) under their State Pollutant Discharge Elimination System (SPDES) program requires that municipalities (MS4's) prepare an annual report demonstrating their compliance with the program. Much of the compliance is handled in cooperation with the Western New York Stormwater Coalition, of which the Town of West Seneca is a member. One of the requirements of the report is that it be presented at a public meeting and that it be signed by the Town's Chief officer. As such, the MS4 Annual Report is attached.

Very truly yours,

A handwritten signature in black ink, appearing to read 'D. Johnson'.
