Honorable Town Board
Town of West Seneca

Honorable Board Members,

We would like to replace the monorail and bar screen room doors at the Plant 6 facility. The doors are in disrepair and in need of replacement.

We have obtained three (3) separate quotes for this work. Please note the quote from Hamburg Overhead Door did not include a price for the bar screen room because they were not interested in completing that work.

The lowest quote for completing all of the required work was from National Overhead Door, Inc. Please approve the quote received from National Overhead Door, Inc. in the amount of \$5,904, for the replacement of the two (2) sets of doors at Plant 6.

Funding for this work is budgeted under the sewer repairs account (003.8100.0443).

Feel free to contact me if you have any questions.

Very truly yours,
