Honorable Town Board
Town of West Seneca

Re: **2013 Town of West Seneca Sewer Rehabilitation Project**

Dear Honorable Town Board,

On June 2, 2013 at 2:00 we opened bids for the 2013 Town of West Seneca Sewer Rehabilitation Project. The project includes lining of approximately 130,000 linear feet of sewer main, rehabilitation of about 800 manholes and replacement of about 5,000 feet of sewer main. We received 4 bids, with the lowest being from United Survey Incorporated. USI has performed well on numerous projects in the Town of West Seneca in the past several years and we recommend the Board authorize award of a contract to United Survey in the amount of \$4,884,040.00. Funds for this project area available through the \$30 million bond that was authorized by the Board for Sewer Rehabilitation.

Sincerely,

Richard B. Henry III
RBH

Richard B. Henry, III P.E.
