Town of West Seneca

**Re: 2013 Sewer Lining Project
Request for Bid Date**

Honorable Board Members,

As part of the Town's sanitary sewer improvements, we request a bid date for the lining of sewers in various areas of Town. We anticipate lining approximately 130,000 linear feet of sewer main as well as rehabilitation of approximately 260 manholes. We would like a bid date to be set for July 2nd at 2:00pm with bid documents available starting June 13th. The estimate for this construction is approximately \$6,500,000. Once bid, these improvements would be paid for using a portion of the previously approved bonding of \$30million.

Very truly yours,

Steven R. Tanner, P.E.
Town Engineer
