**Re: Veronica Estates
ECWA Required Resolution for additional Hydrants**

Honorable Board Members,

As part of the proposed Veronica Estates Subdivision located on Seneca Creek Road, one additional hydrant will be added. This is in an Erie County Water Authority lease manage area (Town of West Seneca Water District 6) and the Fire District currently pays the Erie County Water Authority a fee of \$160.80 per hydrant per year for exercising the valves on these hydrants and future hydrant replacement as necessary for their proper maintenance and use. The ECWA requires that when hydrants are added that the Town Board acknowledges their addition through the approval of a resolution. Please consider and approve the resolution below:

"The Town Board of the Town of West Seneca acknowledges the addition of 1 new hydrant at the proposed Veronica Estates Subdivision. Further the Town acknowledges on behalf of the fire district and resolves to pay for the Hydrant Fee that will be charged by the Erie County Water Authority (ECWA) in the amount of \$160.80 per hydrant per year in this ECWA lease manage area."

Very truly yours,

Steven R. Tanner, P.E.
Town Engineer
