Town of West Seneca

Re: **Stormwater Management Officer**

Honorable Board Members,

As you are aware the Town of West Seneca is currently without a Stormwater Management Officer since the recent resignation of Ron Pfeil. This position carried an annual compensation of \$5,000. Since the Town is an MS4 this position must be filled to complete the necessary testing and monitoring.

We recommend appointing Richard Henry III of Clark Patterson Lee as the designated Stormwater Management Officer for the Town of West Seneca for the annual compensation of \$5,000. The amount will be prorated for the remainder of this year.

Very truly yours,
