ISSUES OF THE PUBLIC

OVER GROWN GRASS AROUND ELECTRIC POWER LINES ON RIDGE ROAD

Karen Lucachik referred to the appearance of Ridge Road from the New York State Thruway to Orchard Park Road and questioned if the power company is required to maintain the overgrown grass and weeds around their lines.

Code Enforcement Officer John Gullo responded that because of the area it can grow up to 36" high. He will contact the power company and request the first 50' be cut.

PROPERTY VIOLATIONS

Karen Lucachik referred to a property on Orchard Park Road housing an overgrown shed and a house on Union Road that has a large red trailer parked in the front yard.

Code Enforcement Officer John Gullo suggested Mrs. Lucachik give him the addresses after the meeting.

ISSUES OF THE PUBLIC

BUSINESS DEVELOPMENT FOR CITY LINE

Linda Toy referred to an auto repair shop near the city line that may go out of business due to high taxes and the lack of business development in that area. She questioned if anything can be done to encourage future development for the city line.

Supervisor Meegan responded that discussions have taken place with a prospective developer, but she is unable to comment at this time. Supervisor Meegan also commented on the proposed feasibility study for the former Seneca Mall site and stated they have been aggressively working with the property owner for the past four years.

RAT PROBLEM ON CAMPUS DRIVE

Penny Jacobs commented on a rat problem on Campus Drive and expressed her concern that rats are being attracted when neighbors feed the birds.

Supervisor Meegan encouraged Mrs. Jacobs to contact Code Enforcement Officer John Gullo concerning the birds being fed. She further stated the town is pursuing the purchase of garbage and recycling totes.

Councilman Rusinski stated the public will be educated and information provided when the totes are distributed to help reduce problems and minimize the risk of rats.

BATHROOMS AT SENIOR CENTER

Johanna Guenther referred to the last Town Board meeting and questioned the cost of \$130,000 to replace two toilets in the ladies bathroom at the Senior Citizens Center, noting that she received an estimate of \$1,130 for toilet replacement.

Supervisor Meegan responded the quote received was for total rehab of the bathroom.

Highway Supt. Matthew English stated that he investigated the complaint at the senior citizen center. He asked a number of women if they had a problem with the ladies room and no one did. A higher seat was purchased to put on one of the toilets and all the toilets were checked by a plumber and are up to code.

Mrs. Guenther stated that people are afraid to speak up. She further commented that the horizontal bar is useless and there is a need for higher toilets.

PRESENTATION OF COMMUNICATIONS BY BOARD MEMBERS AND DEPARTMENT HEADS

PAPER STREET ON INDIAN CHURCH ROAD

Town Attorney Shawn Martin stated the owner of the old Hidden Hollow property on Indian Church Road is seeking the rights to a paper street on the property, solely for the use of additional parking. He has been before the Planning Board and is aware of the inability to build in this area due to various easements. All involved utilities have no objection to transfer of this property and a Town Board resolution authorizing the transfer is all that is necessary.

Motion by Councilman Rusinski, seconded by Supervisor Meegan, to authorize transfer of property contained within the paper street Aurora Avenue on property located at 444 Indian Church Road to Jason Schneckenberger subject to any utility or other easements and subject to approval by the Town Attorney.
