Re: Award of Contract – 2017 Emergency Sewer Repair Contract

Honorable Board Members,

On February 28, 2017, we received five (5) separate bids for the 2017 Emergency Sewer Repair Contract. A copy of the bid checklist is enclosed for your information and review. The low bidder was D'Amorie from Blasdell, NY with a bid amount of \$142,815.86.

Please note the bid amounts are the total of the Contractor's unit prices multiplied by the estimated quantities in the bid for each item. This was used only as a comparison to determine the low bidder and is not necessarily an indication of the final contract amount. The final contract amount will be based on the actual amount of work completed, as incurred. This work is paid for under 03.8100.0445, Program Maintenance.

We have reviewed their bid with them and are comfortable with their bid. We also spoke with several of their references as well as Town Employees that have worked with them. All give D'Amorie a positive recommendation. Therefore, we recommend that the Town Board pass a resolution "**Accepting the Base Bid received from D'Amorie Construction for the 2017 Emergency Sewer Repair Contract, and awarding the Contract to them for the year 2017 and with the option to extend annually for another two (2) years pending mutual consent of both parties**".

Very truly yours,

A handwritten signature in black ink, appearing to read "S. R. Tanner", with a long horizontal line extending to the right.

Steven R. Tanner, P.E.
Town Engineer
