March 11, 2016

Honorable Town Board
Town of West Seneca

**Re: Award of Capital Project
East and West / Angle Water Main Replacement Project**

Honorable Board Members,

Bids for the above referenced project were opened on March 10, 2016. We received a total of 9 bids. The low bidder was DJM Contracting, Inc., and the bid tabulation is attached. We've reviewed their bid and spoken with the contractor. We recommend the Town Board award a contract in the amount of \$1,064,714.00 to DJM Contracting, Inc. located at 1128 Jamison Road, Elma NY and allow Supervisor Meegan to sign the appropriate paperwork.

Very truly yours,

A handwritten signature in black ink, appearing to read 'S. R. Tanner'.

Steven R. Tanner, P.E.
Town Engineer
