RE: Outdoor Fitness Pad-Bid Approval

Dear Honorable Town Board Members:

Please authorize the Highway Superintendent to accept a bid from Broad Spectrum Concrete in the amount of \$15,125.00 for the completion of a concrete pad for an outdoor fitness court at the West Seneca Soccer Complex. A request for this work was sent to five local companies, we received quotes back from three contractors. After reviewing their quotes and work references, I would recommend accepting the low bid from Broad Spectrum Concrete.

Sincerely,

Brian Adams

Superintendent of Highways

Town of West Seneca

Good Afternoon,

My name is Brian Adams, I'm the Town of West Seneca Highway Superintendent, I also oversee our Park system here in town. The Town of West Seneca is looking to expand our amenities at the West Seneca Soccer Complex by adding an outdoor fitness pad. We are currently seeking contractors who are interested in this work to please submit a formal quote for this project by 4pm Monday April 18th. The details for this project are listed below and attached is a spec sheet of the concrete pad we are looking for.

Please note, the location of this pad will be about 30 feet from a paved parking lot so access shouldn't be an issue.

This project should include Excavation and removal of fill 6" of Subbase 6X6x6/6 Mesh

4000 PSI Exterior Mix Concrete in Place with joints sawcut, ideally we are looking for 6"depth but would like quote for both 4" and 6" of concrete

Excludes:

Curb wall shown on page 2 of drawings Topsoil restoration Tax

Thank you for your time and interest

Brian J. Adams
Superintendent of Highways
