Do I still need a Resident ID Card?

Resident ID Cards are no longer valid or being used regardless of their expiration date. The department is now using Membership Cards.

Any person who resides at an address that pays Town of West Seneca property taxes is eligible for a Membership Card. School district taxes do not qualify you for a Membership Card.

Membership Cards must be purchased from the West Seneca Youth & Recreation Office. The Department does not offer Membership Cards during all office hours. Please check the Department's website and/or contact their office for dates and times we issue Membership Cards. Membership Cards are taking the place of Town of West Seneca ID Cards and previously issued ID Cards are no longer valid (regardless of their expiration date, this includes senior cards which previously had no expiration date).

Previously, you needed a valid Resident ID Card to qualify for the Resident Rate at ALL recreation programs and facilities. For most programs which require pre-registration such as but not limited to Youth Open Gym and Summer Day Camp, Membership Cards will no longer be required. Your residency status will be assigned based on your residency address you use when creating your online recreation account.
