Re: Award of Contract – 2021 Emergency Sewer Repair Contract

Honorable Board Members,

On May 26, 2021, we received two (2) separate bids for the 2021 Emergency Sewer Repair Contract. A copy of the bid checklist is enclosed for your information and review. The low bidder was D'Amorie from Blasdell, NY with a bid amount of \$142,815.86.

Please note the bid amounts are the total of the Contractor's unit prices multiplied by the estimated quantities in the bid for each item. This was used only as a comparison to determine the low bidder and is not necessarily an indication of the final contract amount. The final contract amount will be based on the actual amount of work completed, as incurred. This work is paid for under the Program Maintenance line in the budget.

D'Amorie was the successful bidder for the 2017 and 2019 Emergency Sewer Repair Contracts. We have worked with them successfully for 4 years. Therefore, we recommend that the Town Board pass a resolution "Accepting the Base Bid received from D'Amorie Construction for the 2021 Emergency Sewer Repair Contract, and awarding the Contract to them for one year starting in June of 2021 and with the option to extend annually for another two (2) years pending mutual consent of both parties".

Very truly yours,

Steven R. Tanner, P.E.

Steven R. Tanner, P.E. Town Engineer
