Mrs.Meegan
Mr.Hanley
Mr.Hart,

I am writing to request a leave of absence from the police department for the period of one year starting 07/16/2017. I have been afforded the chance to pursue another career opportunity with the New York State Police. I would like it to be known that my decision to pursue this academy is in no way related to any short comings of the West Seneca Police Department. I have enjoyed coming to work every day over the past several years and have thanked God many times over for allowing me to be a member of such a professional department as the West Seneca Police. Since I started my career in law enforcement I have set several goals for myself; I strongly believe that goal setting is the foundation for the development of excellence for people in all personal and professional walks of life. I believe that this opportunity will allow me to achieve these goals that I have strived to accomplish. I can honestly say that working for our town has been one of the greatest jobs I have ever been privileged to have and that this decision was one of the hardest of my life. I hope that my request can be granted if in any way possible.

Respectfully submitted,
Christopher Bednasz P.O 142
