Attorney Ralph Lorigo represented Vann Advertising and presented pictures of the three sites with the billboard superimposed and noted all are zoned industrial which is the proper zoning for billboards. Only a special permit is required and all sites meet the 16 criteria for billboards contained in the Town Code. Mr. Lorigo stated that Larry Vann of Vann Advertising has been in the billboard business for 35 years. He has a contract to purchase 1940 Ridge Road and intends to develop the site. He also has a contract to purchase the Bullis Road property and intends to develop a portion of the site for a residential subdivision. Mr. Lorigo noted that billboards are assessed and pay taxes the same as a house while receiving no town services.
